CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 1177

Introduced by Assembly Member Bocanegra

February 22, 2013

An act to amend Sections 8698, 8698.1, and 8698.6 of the Business and Professions Code, relating to structural fumigation.

LEGISLATIVE COUNSEL'S DIGEST

AB 1177, as amended, Bocanegra. Structural fumigation.

Existing law, until January 1, 2014, establishes a structural fumigation enforcement program that requires the Director of the Department of Pesticide Regulation to provide oversight for the program. Existing law authorizes the Los Angeles County Agricultural Commissioner, the Orange County Agricultural Commissioner, the Santa Clara County Agricultural Commissioner, and the San Diego County Agricultural Commissioner to perform increased structural fumigation, inspection, and enforcement activities, to be funded by a \$5 fee paid by any person who performs a structural fumigation in those counties, as specified. Existing law, until January 1, 2014, authorizes the director to adopt regulations to carry out those provisions, and to levy a civil penalty against persons violating those provisions or regulations, as specified. Existing law provides that the funds collected from the fees shall be paid to the county and used for the sole purpose of funding enforcement and training activities directly related to the structural fumigation program.

This bill would increase the fee described above from \$5 to \$8, and would extend the operation of these provisions until January 1, ~~2018~~, ~~but would remove Santa Clara County from the program. 2018.~~
